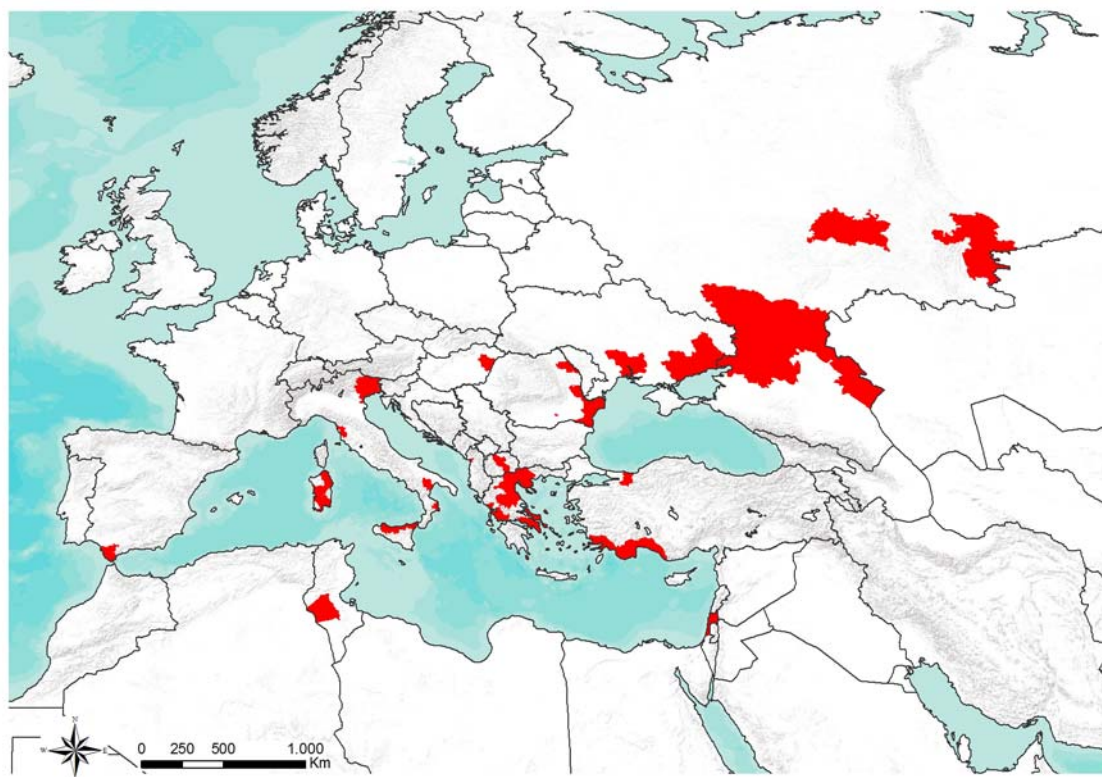

Figure 1 Geographic distribution of West Nile disease in the Mediterranean Basin

STATE	SPECIES	CASES	DEATHS
Greece	Human	101	8
	Equidae	23	1
Romania	Human	10	0
Russian Federation	Human	153	0
Israel	Human	34	0
Albania	Human	2	0
Italy	Human	14	3
	Equidae	197	14
Former Yugoslav Republic of Macedonia	Human	4	0
	Equidae	10	0
Tunisia	Human	3	0
Turkey	Human	3	0
Spain	Equidae	12	1
Ukraine	Human	8	0
Hungary	Human	3	0
Total Human		335	11
Total Equidae		242	16
